

Emotional Support Animal Evaluations

Do you need an Emotional Support Animal?

Why choose Oaks Family Counseling for your evaluation:

- We are qualified mental health professionals
- We are local and know the Gainesville requirements
- Some benefits we include
 - 1 year of service after a letter is provided
 - Additional documentation completed if needed
 - Trusted local professionals, not an unknown internet company

Emotional Support Animals can help with anxiety, depression, PTSD, and other conditions or concerns

Most clients report their emotional support animal has helped reduce their symptoms and has improved their quality of their life.
